Dear Mike,

Please could you confirm that you have passed my letter to the Prime Minister onto the Prime Minister as I have not heard anything back yet. As professionals we have 10 days for a first response. If she has referred it to the department which handles cover-ups, again I would be grateful to know.

Clearly David Cameron and others would have known about this before Brexit, and I would like to know why seemingly nothing was done or has been done since. If you would let me know which department to contact I would be grateful.

Yours sincerely,

Howard Lamb
