FAO: The Editor,
The Guardian Newspaper

Dear Guardian Editor,

Please find enclosed my two letters to the Prime Minister, and a reply from Mike Penning MP. Also please read my Patients Website at www.justiceforautism.co.uk as mentioned in my first letter.

The middle archive of the website is predominantly about the Child X family who are reliant on me to solve this mess for them. I believe that if handled correctly the mother, daughter and Child X would give full interviews.

I have chosen you because of the good work which you are doing for the Trojan Five, one of whom has been a patient for a long time.

If this is of any interest to you please contact me at my clinic through my Practice Manager, Sally Azzoni. I am about to go away for a short break but will be available from the first week of August onwards.

Yours faithfully,
