Subject: Re email of 16 April 2018

Dear Mr Lamb,

We write to confirm that the Chair has been made aware of your email of the 16th April, following her return from a period abroad.

We understand that she thought her letter to you of the 12th March 2018 had made clear she had nothing further that she could add to matters which occurred prior to the letter sent to you by the former Acting Chair, Mr Dunshea, on 28th April 2017. As your emails of both the 2nd and 5th March 2018 referred to that period of time, she considered her letter covered those points as well.

We note that at the time of writing on the 19th March, you said that you had not fully examined the content of her letter and the Chair therefore had left time for you to do that.

We also note that in your email of the 2nd March you asked for further copies of paperwork. We are examining that request and will revert to you on that matter as soon as possible.

Kind regards,
