Dear Prime Minister,

You are overdue on first contact of your complaints procedure.

I had hoped that your reform of the care system would stop the abuse of children in your care. How wrong was I?

All you have done is increase tax to cover the interest of the accumulated debt of the COVID19 pandemic, which you chronically mishandled.

12 billion a year will not be enough to produce staff, facilities, training, and diagnosis of autism, let alone the rest of the decaying structure.

Please contact me at your earliest convenience otherwise I will have to take this further.

Yours sincerely,
