Dear Mr Case,

On your government website regarding complaints, it states that all complaints are taken seriously and are confidential; 5 days for an acknowledgement and 20 days for a full response or explanation if it takes longer.

You have not responded now or to several complaints about Prime Ministers Johnson and May I have previously made. They both had clear opportunities to stop the cycle of abuse which our spectrum children have suffered, but they allowed the process to continue.

Hopefully you will respond within 20 days before I will have to write to a new Prime Minister and the ICC.

Yours sincerely,
