Dear Prime Minister,

As a whistleblower over the systems abuse, through non or wrong diagnosis, of children with special needs, you have not complied, or your predecessors, with the whistleblower act. You are in breach of the law and as such your code. You have done nothing to protect, investigate (transparently) wrongdoing in your departments, or taken any corrective action. In fact, you have chosen to ignore and cover up with deflect and defer tactics.

Please forward yourself for investigation as per your code. If this has been hidden from you by the cabinet office, you are still collectively responsible.

Yours sincerely,

A handwritten signature in black ink, appearing to read 'Howard Lamb'.

Howard Lamb,
